Nixon Leads County Balloting; Sheppard Re-elected to Seat In Congress, Nisbet Ahead

Industry, New Business Listed In Chamber Plans for 1960-61

Program Outlined At Annual Meeting

Paul G. Hottel, incoming president of the Upland Chamber of Commerce, speaking Monday evening at the annual banquet of the Chamber, set forth a promising, active three-point program for 1960-61.

Encouragement of light industry in Upland, possible annexation of areas, and the modernization of downtown Upland shopping center were the highlights of Hottel's address at the gathering of Chamber of Commerce members and their wives at the Upland Woman's Club.

Elaborating on the three-point program, Hottel stressed that under the guidance of Russ Hazen, committee chairman, the Chamber will explore and encourage clean desirable light industry, large or small, to consider coming to Upland in the coming year.

Hottel pointed out that the recently developed Industrial Park has made available immediately possible locations for light industry, as well as, other land also being made available.

A committee will explore the possible annexation of areas that would be desirable both to the City of Upland and to the people living in the areas desiring annexation as the second point in the Chambers actively planned program.

Seek Industry

To attract a diversity of new outlets to aid business, encouragement of a program of modernization of the Downtown Upland shopping center will be high on the chamber's 1960-61 list of activities.

Hottel pointed out that the growth of new shopping centers will be an aid to the total growth of our business community.

Mayor Abner Haldeman, in a brief welcome address told Chamber of Commerce members that: "City Government is a total endeavor. The intention of City Government is not to move too fast but fast enough to keep pace."

Retiring president, Charles Benninghoff, pointed to the Upland Lemon Festival as a high light of the past year of activitiy combining the efforts of the Upland Retail Merchants and the Chamber of Commerce.

Newcomers

Owners of new businesses in Upland in 1960 introduced were: Bob Baumann, photography; Mrs. Epps, Marguerites School of Dance; Ted Grimm, Chevrolet; Sully Altieri, Grove Theater; Mr. and Mrs. Colborn, Colborn's Electric; Mr. and Mrs. Hawkins, Upland Appliance. Also introduced was Dez Hoag, new district manager for Southern California Edison Co. for the Upland-Ontario district.

An inspired, challenging talk was given by Rev. Dr. John G. Breman, pioneer missionary, recently returned from Surinam.

Warren Roberts, was master of ceremonies. Father J. A. Erickson Jr., St. Marks Episcopal Church, Upland, gave the invocation. Musical entertainment was presented by the 5-B's combo band, winners of first prize in the Upland Lemon Festival talent contest which the Chamber of Commerce sponsored.

Officers

Chamber officers for 1960-61 are: Hottel, president; Ware: Hottel, president; William Rugg, vice president; H. C. Van Dusen, treasurer, and Lillian O. Hilde, secretary.

Directors are; Benninghoff, James Colgan, Hottel, Mrs. Helen Nylander, J. T Waller, James Clark, Sam Franke, Don Hewitt, Russ Hazen, Rugg, C.V. Thompson and Fred W. Mack Jr.

Retiring directors are: Merrill Z. Conn, Charles G. Gehrken, Warren Roberts, Roland Sanders, Charles Walker and Malcolm Wise.

Walline Ahead in Chino Basin Vote

Wednesday morning unofficial tabulations from 26 of 30 voting precincts in Upland gave Bob Walline a substantial lead over Phil Holden for the Chino Basin Municipal Water District seat.

Walline, of the Upland Water Co., was leading with 3,389 votes to Holden's 2,457.

Walline attended schools in Upland and has been manager of five water companies in the area and has 12 years experience in water production, use and distribution.

The apparent winner, however, Wednesday morning said he preferred not to make a statement until such time as all the votes had been officially tabulated.

"Phil and I have been friends for a long time and we have maintained a friendly attitude towards each other throughout the campaign. We'll probably learn a lot from each other," Walline said.

Walline

Street Name Changes Are Announced

The County Board of Supervisors has announced that the names of several streets in the Upland area have been changed as recommended by the Planning Commission.

All names of streets which have been changed are in the north Upland area.

Mountain Dr., from Mountain Ave. to 25th St., to be changed to Mountain Ave.

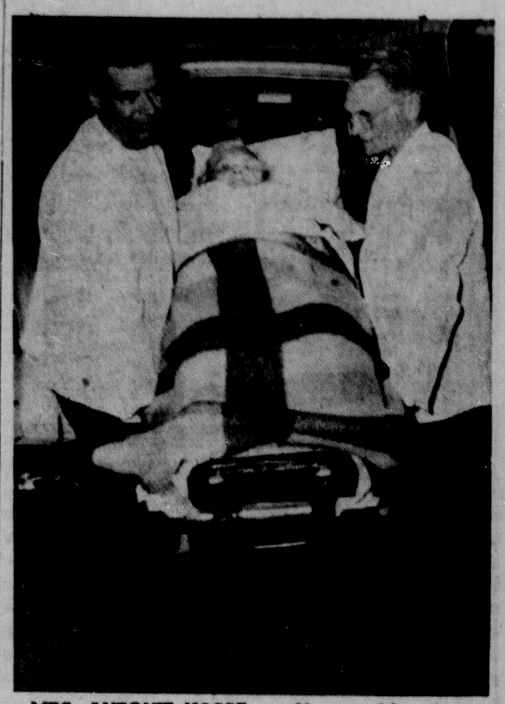

Camp Baldy Rd., from 25th St. to Los Angeles County Line, to be changed to Mountain Ave.

Euclid Crescent West, from 24th St. to Camp Baldy Rd., to be changed to Euclid Ave.

Mountain Ave., from existing Mountain Dr. north end, to be called Mountain Lane.

Camp Baldy Rd., from Los Angeles County line north to end, to be changed to Mt. Baldy Rd.

The supervisors, in announcing the above changes, stated that any questions as to details of location should be referred to the County Planning Commission, 316 Mt. View, San Bernardino.

MRS. ANTONIE HASSE, an 81 year-old patient at San Antonio Hospital in Upland is shown being loaded into a Brown Ambulance Co. vehicle by Robert Roberson, left, and Scotty Jones for transportation to the polls on Wednesday. Mrs. Hasse, Pomona, was one of six patients from the hospital who were taken to the polls in ambulances.

County Favoring Water Bond Vote

by Howard Archer

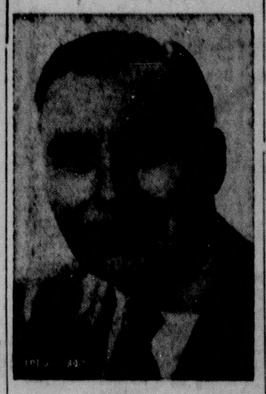

Vice President Richard Nixon appeared to be headed towards a victory in San Bernardino County voting but late Wednesday morning was trailing in the state and nation and most veteran political observers say Sen. John Kennedy will be the winner when the final count is made.

Of 788 precincts reporting out of 840 in the county, Nixon had 91,023 to Kennedy's 84,301. The Prohibition candidate Rutherford Decker had 781 votes.

Complete returns from Upland gave Nixon 4,761 votes and Kennedy 2,481. Decker got 33 votes in Upland.

Montclair, with all 17 precincts reporting, gave Nixon 2,252 and Kennedy 2,127 with 12 votes going to Decker.

Incumbent Democrat Harry Sheppard was returned to Congress from the 27th District with 84,838 votes. His Republican opponent; Robert Castle, got 37,902. This is a final unofficial tabulation.

Sheppard

Upland's Eugene Nisbet, Democrat incumbent from the 72nd Assembly District was leading his opponent, Norman Courtney, 39,691 to 18,912 with 282 of 399 precincts in the county reporting.

No breakdowns of the balloting from the Upland and Montclair precincts were available at press time for The News.

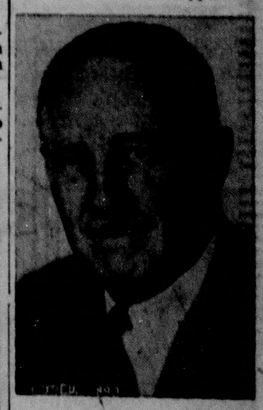

Sheppard was first elected to Congress in 1936 and has served continuously since that time. He came to San Bernardino Couny 36 years ago and has pursued manufactnring and investment interests here since that time.

Nisbet serves a district which embraces Upland, Montclair, Chino, Ontario, Fontana, Rialto, Colton and more than half of the city of San Bernardino.

He was first elected to the Assembly in 1954 and prior to that served as mayor of Upland and on the city council. He is a citrus grower and active civic leader.

Nixon steadily increased his lead in the county with a count of 596 precincts showing him ahead by a slim margin of 63,188 to Kennedy's 62,547.

Two of the more closely watched propositions of the 15 on the state ballot, water bond plan and reapportionment, attracted considerable votes.

Nisbet

With 631 of 840 precincts reported, there were 88,019 yes votes against 30,553 no votes on the water bond issue in the county and 66,591 no votes and 38,905 yes votes on reapportionment in the county.

These figures follow closely the state treand and it is expected that the water bond will be approved and re-apportionment vetoed. This, however, was as predicted before the election.

Upland Lemon Growers Hold Annual Meeting

The Upland Lemon Growers Association had a net return of $1,186,503 from gross sales of $2,848,717 for the year's business according to a report presented last Friday at the annual stockholders meeting in Upland.

J. Leman, association secretary who read the report, pointed out that total returns to growers at the packing house door was $1,865,639 and that the net figure was ascertained by deducting harvesting charges of $679,136.

The local lemon growers marketed 4.7 percent of the total industry crop during the year with a total of 1768 carloads of lemons.

During the business session members re-elected to serve as directors for the ensuing year were Warren H. Wass, Keith Koehler, Harold Stewart, Roy Person and Theo Davis.

At a re-organization meeting which followed the annual meeting Wass was re-elected president; Koehler was re-named vice president and W. P. Hasty was appointed general manager and Leman was re-named secretary-treasurer.

Hasty, during the meeting, told stockholders that the 1959-60 crop of lemons picked totaled 1768 carloads as compared with 2330 carloads picked the previous year.

"Frost, winds and other weather conditions lowered grades somewhat and the handling of scarred fruit was one of the year's problems," Hasty reported.

Leman presented statistical data to members showing increased plantings of lemon acreage by the industry as follows:

California and Arizona for 1960—67,600 acres as compared with 63,460 acres in 1955, or a five-year increase of 4140 acres.

Acreage Up

Leman pointed out that in 1945 Upland lemon growers had 2420 acres in crop. In 1950 the number of acres was 2615, an increase of eight percent. In 1955 there were 3111 acres in crop, an increase over the 1945 base year of 29 percent. In 1960 Upland growers had 3592 acres in crop or an increase of 48 percent over the base year.

Leman explained, however, that the entire increased acreage was not in planting but that a part of the increase came from adding members to the local association.

A comparison of return for the current season was also given. Upland lemon growers had a per carton (FOB) sales of $2.92 as compared with the industry price of $2.82. A comparison of packing costs on a five-year average showed Upland growers paying $.65 per carton as compared with $.76 for the overall industry.

By-Products

Wass, in addressing the annual meeting on Friday, discussed Sunkist by-products and juice fruit situations. He told of marketing plans for the new lemon-fruit punch product and outlined the lemon oil and peel products situation.

Wass also outlined the importance of the Fruit Growers Supply Co. to Sunkist citrus growers. The supply firm furnishes materials for use of the various packing houses.

Considerable timber property is owned by this company and they are now planning, according to Wass, to go into the business of fabricating cartons for use in shipping fresh lemons and oranges.

Upland Has 70% In Drive

West End United Fund collections in the Upland Division surged past the 70 percent mark this week, with $7295.50 collected so far in cash and pledges, Division Campaign Chairman Rex Wignall reported.

Largest portions of the total came from the advance gifts and residential campaigns.

House -to -house solicitors under the chairmanship of John E. Alderman and Fred Draper reached a total of $2802.

Contributions to the advance gifts section, under the chairmanship of Mrs. Earl Wenger, total $3580.

Business Trails

Trailing the pack is the business section, under the chairmanship of Bob Walline, with collections to date totaling $913.50.

Solicitations in all three sections are continuing, however, with the aim of boosting contributions to the Upland Division quota of $10,-308.

General Campaign Chairman Ralph J. Osborn announced Tuesday that total contributions for the 1960 campaign now stand at approximately 85 percent of the campaign goal, with $174,-919.22 collected against a goal of $206,158.

Leading all divisions is Chino, with $7852.95 collected for 152 percent of the divisional quota. Montclair is at 37 percent.

Board Delays School Pact

The Chaffey Union High School District Board of Trustees Monday night delayed any immediate action toward building a fourth school within the district by postponing signing of contracts between the school district and architects.

The delay came after board members W. Wren Woodward and Paul Cushing argued that they were not satisfied with the wording of the contract in regards to control over actual construction.

The board members wanted this section of the contract spelled out in specifics in order to assure that proper supervision and authority would prevent any possible sub-standard construction.

A seminary on the proposed construction will be held on Monday with board members, district administrative personnel and representatives from the architectual firm of Harnish, Morgan and Causey, the firm with which the contract agreement is proposed.

IBM Explored

The board Monday night also agreed to investigate the possibilities and advantages of expanding the district's IBM operational services.

Allan Smith, district superintendent told the board that the district was currently paying $7500 to the Pomona Service Bureau for IBM work and that the machine proposed for the operation would cost approximately $7800.

Several members of the board will visit other school districts in the surrounding areas that are now using a full IBM operation to gain additional information. The issue will be discussed again at a future board meeting.

The Board also approved a remainder of the school year contract for Mrs. Cecilia D. Teis, music teacher at Chaffey High School, replacing Mrs. Ruth Thompson.

A classified employment contract was also approved for Mrs. Carmolita T. Ross as a part-time Vari-type operator in the district print shop. The addition was made in anticipation of an increased work load in the print shop resulting from the printing of school newspapers.

Realtors Get Officer Slate

The Upland-Ontario Board of Realtors will hold its annual meeting on Dec. 5 and a slate of officers has been submitted for consideration.

The slate consists of R., L. Hazen, vice president; Arnold Anderson, secretary-treasurer; Kathleen McNabb, E.E. Ades, Robert Deards, John Goodwin and L.R. McKee, directors.

This week at a luncheon meeting the group inducted as new members Illie Dorsett, broker, and Robert Elmore, salesman.

New Policy On Garbage

A new policy for preparing garbage for collection has been put into effect according to a statement made this week by City Manager Elwin Alder.

Alder said that, effective immediately, all garbage must now be wrapped before it is placed in containers for collection.

Alder said "we are no longer selling garbage to hog ranchers and the city will bury its garbage from now on."

The Friday schedule includes the picking up of trash and a garbage collection is scheduled for Monday.

Foothill Knolls Expands

Harry Mednick, vice president of the Medco Construction Corp., announced today that the second unit of the eighteen acre Foothill Knolls Shopping Center, located at the corner of Foothill Blvd. and N. Grove Ave., is expected to be underconstruction next month.

This unit will represent a total valuation of $148,000.

Leases are now being signed with service and specialty tenants complimenting the first unit the 35,000 square foot McDaniel's Market.

The tenants expect to be open for business in April 1961.

The third phase of Foothill Knolls Shopping Center is planned for construction in 1961, this unit will consist of a large department store, major drug store and fine specialty shops.

Harold J. Wilkins, 218 N. Canon Dr., Beverly Hills, is the leasing agent.

Propositions

County vote on 15 propositions with 588 of 840 precincts reporting as of 10 a.m. Wednesday.

1. THE CALIFORNIA WATER RESOURCES DEVELOPMENT BOND ACT.
1. Yes 88,019 No 27,147

Upland School Vote Proposals Outlined

Registered voters in the Upland Elementary School District will go to the polls on Dec. 6 to vote yes or no on two proposals to secure funds to be used for expanding the physical facilities within the school district.

Specifically the voters will vote as to whether or not they want to authorize for issuance and sale local district bonds and also whether or not they want to authorize the board of trustees to accept a state loan in the amount of $700,000.

The bond authorization would be in the amount of $1,300,000.

The voters will have three choices in casting ballots. They can vote "yes" on both issues; they can vote "no" to both issues, or they can vote "yes" to one and "no" to the other. A two-thirds majority is required for a proposition to be approved.

District school officials estimate the amounts requested in the balloting will meet the needs of the school district for the next five years. The estimate is based on a series of projected growth figures plus the normal growth rate of the community.

Requirements

In order to get the state loan the school district must qualify on enrollment figures, house count, square footage and meet other state requirements.

The state requires 1.21 student count per dwelling unit and allows a projection enrollment grade for three years.

Harold Cook, district superintendent, said the most critical area at present is in junior high facilities and indicated that most of the money, if voted, would be used to start construction of a second junior high.

The Upland News next week will start a series of articles on the merits and ramifications of the two issues, explaining in detail just what each proposal involves.

In this edition of The Upland News appears a series of questions and answers on the issues. It is suggested that those persons in the school district involved make a complete study of the issues in order to be able to more intelligently cast a ballot on Dec. 6.

(Continued on Page 5)

COLLECTION TIME

Carriers of your Upland NEWS now are making their regular collection calls.

Payment is 35 cents per month and your carrier hopes you have enjoyed the paper and that his service has been satisfactory to a point that will warrant your payment.

WICKERHAMS

128 N. Euclid, Ontario

THESE TWO UPLAND girls are among nine Chaffey College coeds competing for Homecoming Queen honors Friday night during the Panther-San Bernardino football game activities at Steeler Stadium in Fontana. The Queen will be crowned during halftime ceremonies. Darla Feighner, left, represents the Panther Blacks and Becky Hinman, the Electronics, in the competition. Sharon Hanson, also of Upland, is representing Flying & Aeronautics. The Queen will also reign over the Homecoming dance on Saturday night at Campus Center.

WHAT A DIFFERENCE A DAY MAKES is clearly depicted in this photo taken of Vice President Nixon and Mrs. Nixon as they left their plane in Ontario Monday night. The happy smiles and wave late Tuesday night had changed to grimness and little hope was left for Nixon's election to the office of president.

"Any businessman who says he is not interested in man who insists he is not interested in water." —Detroiter.

"Political platforms are for one party to stand on, and the other to jump on."—Arnold H. Glasow.

Assessed Valuation Of State Up 7.87%

The State of California's total net assessed valuation for the 1960-61 fiscal year is $29,600,924,411.

This was disclosed in the annual report on the counties' assessed valuation and tax rates issued by the office of State Controller Alan Cranston.

The total, Cranston said, is 7.87 percent higher than that of a year ago.

Cranston said the gross valuation amounted to $31,-155,815,591, that figure consisting of land valued at $8,-858,957,800, improvements on land valued at $16,176,469,194, and personal property valued at $6,120,388,597.

From the gross, Cranston said, was subtracted exemptions of $1,554,891,180 granted to veterans, churches, colleges, and welfare organizations. Exemptions constituted approximately 5 percent of the gross.

Los Angeles County passed the $11 billion level, its net assessed valuation for 1960-61 amounted to $11,688,344,335.

Five other counties have valuations exceeding $1 billion: San Diego, $1,542,-586,670. San Francisco, $1,-435,560,989. Alameda, $1,434,765,713. Orange, $1,271,871,-200. Santa Clara, $1,266,359,-970.

Two counties recorded a decrease in valuation: Alpine down $81,464 to a total of $2,471,455, and Inyo, down $10,492,735 to a total of 43,-349,075. The latter decline reflects a final determination of water rights between Inyo and Los Angeles Counties.

The largest percentage increase over 1959-60 levels occurred in El Dorado County, where valuation is up $20,-623,925, or 32 percent, to a total of $84,655,225.

Cranston attributed the El Dorado increase in part to growth, particularly in the Lake Tahoe area, and in part to an expanded valuation program.

Priscilla Club Plans Xmas Party

The Upland Priscilla Club held its Oct. meeting at the home of Mrs. C. H. Nichols, 1584 N. Mountain Ave. last week with 16 members present.

Plans for the annual Christmas Party were made. Committees for helping Casa Colina were also selected.

Mrs. R. C. Cadnum was appointed chairman of the white elephant sales for the year.

Members present were the Mesdames: Virgil Bowser, R. C. Cadnum, Mary Gillingwater, W. L. Green, and Phillip Holden. Also present were the Mesdames: Blanche Loch, C. H. Nichols, Sadie Rider, Miles Robrig, Frank Ward.

The Mesdames Joseph Mil-Crockett, Nell Olsen and Miss der, Walton Wolfe, John Jo Sutton were present.

Sun is Welcome

Weekend rain that saturated the area and brought seven inches of snow above the 6500-foot level at Mt. Baldy, began subsiding early this week and variable cloudiness but mostly sunny skies is on the weather menu for the next few days.

The seasonal storm dumped 1.50 inches of rain on Upland and a total of 5.07 inches on Mt. Baldy. Ontario had 1.10 inches.

Montclair got .93 inches of rain during the weekend to bring the season's total to 2.28 there. Chino reported .83 inches for the same period.

The snowfall on Mt. Baldy failed to offer conditions conducive to skiing. Officials said the snow was soft and was expected to be of short duration.

DR. PARKER

NotedAuthor To Speak at Sierra Vista

Dr. William R. Parker will be the guest speaker at the Sierra Vista PTA program on Thursday, Nov. 10 at 7:30 p.m. The topic for his discussion will be "A Message for Parents".

An associate professor of speech at the University of Redlands, Dr. Parker is a widely known author and speaker on speech correction.

Published in 1951, his text book "Pathology of Speech" was a complete sellout on the west coast, and according to publishers is probably the most popular work on speech correction yet written. Another book by Dr. Parker, "Prayer Can Change Your Life," was published in 1957.

As part of his university work, Dr. Parker provides clinical experience for his graduate students through actual work in helping children regain normal speech habits.

Dr. Parker received his BA degree in 1939 and his MA in 1941 from the University of Redlands and his Ph. D. from U.S.C. in 1951. He taught at Oregon State several years before returning to his Alma Mater in 1946.

The fifth grade mothers will be hostesses for the evening.

Cheramy Hand Lotion in Plastic bottle. $2.00 size for 98¢. Harris Pharmacy 205 N. Second Ave. (adv.)

Temperance Union Meeting in Upland

The Upland Woman's Christian Temperance Union will be hostess to members and friends at their annual vice-presidents meeting on Nov. 14 at 7:30 p.m. in the Fellowship Hall of the Methodist Church. The vice-president, Mrs. Mabel Merchant, will preside, presenting the speaker, Mrs. Loretta Hoyman of Glendale.

She has been a world missionary for the WCIU for many years in India, Egypt, Arabia, and the Holy Land. She is retired and now is director for the Dept. of Health, Medical Temperance, and Drugs for the Southern California State organization.

There will be opportunity to question Mrs. Hoyman concerning the lands in which she lived and worked for so long.

Refreshments will be served following the meeting. All are invited to attend and hear this excellent speaker, according to Mrs. Ralph H. Marr.

Ex-Upland Pastor Revival Speaker

Alvin C. Burkholder, 548 N. Second Ave., Upland, Bishop of the Brethren in Christ Churches of the Pacific Conference, will be guest speaker at revival services scheduled for the Brethren in Christ Church 845 W. Arrow Highway beginning Sunday, Nov. 13, and continuing for eight days.

Bishop Burkholder is a former pastor of the local congregation and has also served as public relations director for Upland College.

Week-night services will convene at 7:30 and Sunday nights at 7:00. Music will be directed by Myron Tweed. Nursery supervision is available during each service.

Special emphasis nights throughout the week are: Sunday School night, Tuesday; Family night, Wednesday; Boys Club and Girls Club night, Friday; and Youth Night, Saturday.

NEW GIRL IN TOWN

Mr. and Mrs. Wayland E. Gillespie, of 1009 Highland Ct., are the parents of a daughter, born Nov. 8, 1960 in the San Antonio Hospital in Upland.

Food preference studies among Armed Forces personnel rate milk as the best-liked food.

CUTTING A LOAF of bread in the Upland High School bread baking contest, is Principal Thomas Glasheen, right, who served as one of the judges. Others in the picture, from left, are Mrs. Corinne Morrison, teacher who issued the challenge which resulted in the contest: Mrs. Wilma Klepper, homemaking instructor and also a judge, and Gary Yacura, one of the contesting students.

Chance Comment, Essay Start Baking Contest

A chance comment by an Upland High School English composition student resulted in a bread baking contest last week.

Mrs. Corinne Morrison and her students, completing a unit on essays, had read Philip Wylie's "Science has Spoiled My Supper." In the discussion which followed, the class began contrasting today's meals with yesterday's.

One student said, "Well, I bet I could bake bread if I wanted to." Mrs. Morrison challenged him, and the entire class accepted the challenge.

Rules for the contest were drawn up: The bread must be baked by the student with no help, and at home. The bread must be a yeast bread that requires kneading. From this point the student was on his own.

Almost 50 loaves of bread were brought to class—some plain, some fancy. There were rye bread, pumpernickel, French, plain white loaves, blitzkuchen, coffee rings, cinnamon rolls, raisin bread — flat loaves, oblong, oval, twists, buns, and other shapes and sizes.

Principal Thomas M. Glasheen and Mrs. Wilma Klepper, homemaking instructor, were called into judge. Winners were Tom Chalberg, French bread; Jim Morris, white loaf; Sam Stanson, braid bread; Don Tull, sweet bread; and honorable mention for brown bread, Ed Hotard.

Of the large number of loaves, only three were baked by girls. And, at noon, after the judging, the class had a bread feast.

Alta Loma PTA Changes Dates; Seek Mothersingers

At the regular November meeting of the Alta Loma PTA, which was held recently, the 7th and 8th grade Chorus entertained the parents and teachers. Under the direction of Mr. Otto Killion and accompanied at the piano by Mrs. William Wilding, they sang two selections, "They Call This America and "O, Lord, Most Holy".

The flag salute was led by Cub Scout Den 2, Pack 1, Alta Loma, Mrs. Thomas Brown, Den Mother, consisting of John Stevens, Dennis Murray, Tom Brown, Lowell Herr, and Steve Evers.

The report of the recent PTA Board meeting was made by Mrs. Don Blair, secretary. It was held at the home of Mrs. Gerald Bell. The main topic of business was a change of officers installation date. It was unanimously agreed that the date of installation should be moved up one month for this unit to comply with all other units.

Jack Whitney, taking his wife's place as program chairman, introduced the guest speaker, Mrs. Paul Meares of the Juvenile Division, San Bernardino County Sheriff's Office.

The theme of her talk was that of the PTA's theme for the year, "Opening Doors."

The Alta Loma PTA Mothersingers are meeting each Wednesday at 9:30 a.m. at the home of director, Mrs. J. R. Murray, 6611 Hermosa Ave., Alta Loma.

An invitation has been extended to all mothers interested in singing to join the group.

Fillers

Lawns can still be planted in most areas. For maximum seed germination, be sure to keep moist.

It's too early to prune berries and grapes. Give them another month at least before going at them with the shears.

Mrs. Baumgartner's Mother Dies Here

The mother of Mrs. John Baumgartner, Upland, died at San Antonio Hospital Saturday of complications resulting from a fractured hip.

Mrs. Emma E. Lively, the mother, 89, was visiting with her daughter in this city at the time of her death.

Mr. and Mrs. Baumgartner left Upland Monday night to accompany the body to Oklahoma City where services were to be held.

AssistanceLeague Plans Tinsel Tea

It's later than you think! It's time to get into the holiday spirit of the Christmas season at the Upland Assistance League's annual Tinsel Tea. The affair will be held at the Upland Women's Club between the hours of 2 and 5 on Tuesday, Nov. 15.

Everyone who loves Christmas is invited to attend the tea and to see and buy the many handmade gifts and decorations that will be on display.

Santa's helpers, in the guise of Assistance League clubwomen, have been working since last January in preparation for the event. To name a few of the array of items, there will be gold wall trees decorated with silver and gold grape clusters.

Tree and table skirts in four new designs and two sizes can turn your beautiful tree or table into a magnificent one. Beautifully appliqued Christmas stockings will delight all children of any age.

Candles that will burn for over 200 hours inside hand decorated glasses will add atmosphere to your home. And among the outstanding items to be shown is the unusual table center piece of bouncey elves with gold ball chairs on a large piece of frosted driftwood.

And for your door, some very special rattan and natural fruit wreathes in large sizes. Door knobs too, Santa style on green trees.

If you are book minded, you'll love the scurrying book mice and the scholarly book worms that will keep your place. For the children there are rag doll Santas and cuddly felt clowns and monkeys.

These are but a few of the extra special items that have been made with skilled hands and loving care by the League members under the guidance of Mrs. Frank Hutchison, Tinsel Tea Chairman. Among those who have devoted their time and talent to this project are Mrs. Jacob Butterfield, Mrs. William Dingle, Mrs. David Armstrong, Mrs. John Mortensen, Mrs. Robert Walline, Mrs. Ray Ferguson, Mrs. John Cooper, Mrs. Jarvis Leman, Mrs. Lewis Gillette, Mrs. Alan Swinler, Mrs. Gene Alair and Mrs. Thomas Hinman.

Supervising the tea table, refreshments and decorations are Mrs. David Armstrong and Mrs. Kenneth Litchfield.

Judge Mitchell Will Address Valle Vista PTA

A real treat is in store for all who attend the November meeting of the Valle Vista School PTA says Mrs. R. C. MacDonald program chairman.

Guest speaker for the Nov. 10, meeting at 7:30 p.m. will be the Judge of the Superior Court, Archie Mitchell. Judge Mitchell will speak on the history of Cucamonga and give first hand accounts of its development. Historical research is a hobby with him.

As a native son of Cucamonga, he attended the local school and the high school which is now Chaffey Union High School. After graduating from the University of Southern California, he practiced law locally until he was elected to the Superior Court. He served twice as Ontario city attorney, first from 1914-1918 and again from 1935-1946.

Youth Injured In City Crash

Charles White, 16, Ontario, was injured last week in a two-car accident at 9th St. and Euclid Ave.

White was a passenger in a car driven by Lawrence Mensch, also of Ontario. The vehicle collided with a car driven by Gordon Naisbitt, 1450 E. 9th St.

White received only minor injuries and the other two persons involved were not hurt.

Church Women Get Officer Slate At Recent Meeting

The November meeting of the Women's Association of the United Presbyterian Church of Upland was held Nov. 3. The meeting was opened by the president, Mrs. McClelland Jones, with a short prayer.

Miss Olive Wood presented the year book of prayer, mentioning the mission work in the United States. Mrs. H. G. Glunt presented a skit entitled "The Whole Truth". She was assisted by Mrs. C. G. Kissick, Mrs. N. H. Stiles, Mrs. Ted Delsing, Mrs. Harvey Shirk, Mrs. Albert Cook, and Mrs. Carie Johnson.

Meeting was adjourned and a luncheon was served by Circle No. 5. They were assisted by Circle No. 1. The tables were decorated in fall colors with Thanksgiving as the theme.

The special guests of the day were introduced by Mrs. Kissick. Mrs. Harvey Shirk gave the all for world service Thanksgiving offering, followed by a hymn and prayer.

The Nominating Committee chairman, Mrs. N. H. Stiles, then presented the panel of nominees for officers, chairmen and group leaders for the coming year. After a vote of approval by the members of the association, Mrs. Jones presented Mrs. Alexander McLeish, who gave the devotion and prayer. Mrs. Jones then presented Mrs. Robert Leon who told of her experiences in mission and ecumenical fields and who proved to be a delightful as well as inspiring speaker.

Mrs. McLeon is the wife of Dr. Robert McLeon who is occupying the pulpit of the Upland Presbyterian Church in a temporary capacity.

THOROUGHLY enjoying themselves at the recent Mayfair Market opening in Cucamonga were Eileen Mefford and Bill Smith, both of Upland High School. The opening drew hundreds of people from the area.

Homecoming Plans Set At Upland

Word is filtering through the Student Activities Office at Upland High School that the 1960 Homecoming celebration will be the biggest in the history of the school.

First plans to be completed are those for the Homecoming Dance sponsored by the Phoenicians Hi-Y Club. Gary Yacura, chairman of the dance committee, said that the dance will be held "without benefit of rock and roll." The Five Aces and a Joker will play for the event on Saturday night, Nov. 19.

Yacura said, "This band refuses to play rock and roll, and that's why we hired it."

Theme of the dance will be Moonlight and Magnolias. Decorations are through the courtesy of the Cucamonga Nursery, furnishing plants and flowers to accent the theme of the dance.

Special honored guests will be the alumni and the Homecoming Queen and her court. Tickets for alumni and students went on sale at the student store Monday.

Serving on the Phoenicians Dance Committee are: Yacura, Pete Linden, Allen Runnels, Fred Henderson, Kirby Bonds, and Norman Dennis.

Even though the summer sun is fading, the sun still does damage. Keep your summer tan and your skin smooth and supple with adequate amounts of oil, cream, and butter in your diet.

You find the early bird Sasanqua Camellias coming into bloom now. Plant them for a longer Camellia season.

Sierra Vista Uses Church For Students

The Methodist Church Wednesday opened its doors to second grade pupils of the Sierra Vista School and thus ended double sessions at the school.

Pupils will continue to hold the four classes at the Church, to be known as the Sierra Vista annex for school purposes, until the Foothill Knolls School is completed.

They then will return to Sierra Vista School and those pupils who live in Foothill Knolls but now go to Sierra Vista will be enrolled at the new school.

Double sessions, however, are still in effect at Upland Elementary School and probably will be until the Foothill Knolls completition scheduled for March at the latest.

New Stamps To Be Out Early '61

Postmaster General Arthur E. Summerfield announced today two new stamps for issuance early in 1961, according to Postmaster Charles F. Linck, Jr. They are a 4-cent Range Conservation stamp, to be released January 31, 1961, and a 4-cent Horace Greeley "Famous American" stamp, which will appear February 3, 1961. Further details, including places of issuance, designs and colors will be announced later.

The Postmaster General has already announced the issuance of 4 and 8-cent Mahatma Gandi "Champion of Liberty" stamps on January 26, 1961 at Washington D.C. and the 4-cent Patrick Henry "Credo" stamp on January 11 1961, at Richmond, Virginia. The 10-cent Inter-American Conference commemorative airmail, originally scheduled for issuance Feb. 1, 1960, at Washington, D. C., has ben rescheduled for issuance March 1, 1961.

The current 15-cent international airmail stamp, featuring the Statue of Liberty, will be redesigned to match the 10 and 25-cent denominations with a vertical gutter between the pictorial portion and the value tablet to aid in printing on the Giori presses. This redesigned stamp will be placed on first day sale January 13, 1961, at Buffalo New York.

The redesigned 15-cent airmail stamp was modeled by Victor J. McCloskey, Jr. The vignette was engraved by Arthur W. Dintaman and the outline frame lettering, numeral and plane by Robert J. Jones.

In accordance with the policy announced last week, outer envelopes or wrappers containing requests for 15-cent international airmail first day covers must be postmarked before midnight five days in advance of the issuance date. The Patrick Henry "Credo" first day cover requests must be postmarked before midnight January 5, 1961.

The 4-cent "Employ The Handicapped" Commemorative stamp, first placed on sale August 28, 1960, at New York, New York, was engraved by Arthur W. Dintaman vignette) and Kenneth C. Wiram (lettering and numeral). The stamp was designed by Carl Bobertz of New York City.

Engravers responsible for the 4-cent Lincoln "Credo" stamp, to be first placed on sale November 19, 1960, at New York (1), New York, were Robert J. Jones (frame), and Howard F. Sharpless (symbol, signature, quotation and denomination). Frank P. Conley designed all of the "Credo" stamps.

The pictorial first day cancellation being used today (October 15, 1960) at Detroit (33), Michigan, on covers bearing the new "Wheels of Freedom" Commemorative stamp features a modern Highway Post Office vehicle.

October 20, 1960, when the new 4-cent commemorative stamp is released at Providence 2), Rhode Island, to mark the dedication of the first automated post office in the United States, the pictorial portion of the first day cancellation will feature the Post Office Department Seal.

NEW BOY IN TOWN

School Vote

(Continued from Page 1)

(Q): What is the amount of the authorization for issuance and sale of local district bonds requested by the Board of Trustees?

(A): $1,300,000.00

(Q): What is the amount of the State loan which the voters are asked to authorize the Board of Trustees to accept?

(A): $700,000.00

(Q): For what period of time will this amount of money meet the needs of the Upland School District in the area of capital outlay expenditures?

(A): The estimate of the members of the Board of Trustees and the school administration is 5 years. However, emphasis should be placed upon the word estimate. The future rate of repopulation growth is an unknown about which we can only conjecture.

(Q): In the event the election is approved by the voters with the necessary two-thirds majority, what amount of money will be immediately available?

(A): (A) If the Upland School District is not eligible for State Building Aid in the form of a State loan, $300,000 in local district bonds can be sold early in 1961.

(B) In the event that the Upland School District qualifies for State School Building Aid the amount of money readily available is subject to determination on the basis of a formal application. However, it is quite likely that the amount will be in excess of $300,000.

(Q): When will the remaining portions of the authorized but unsold local district bonds be sold?

(A): As soon as the necessary unused bonding capacity and possible state loan eligibility is developed.

(Q): How is unused bonding capacity developed?

(A): Two ways:

(A) Retirement of outstanding bonding indebtedness, and

(B) Increases in assessed valuation through improvements to real property or additions of personal property.

(Q): What will be the cost of the proposed building program?

(A): It is impossible to guarantee the accuracy of the answer to this question because assumptions and estimates must be made. Examples below:

Cost of building program for Upland School District 1960 - 1965 using smaller growth figure:

Estimated growth a 7% per year — 1085 pupils:

A. 885 pupils in grades kindergarten through grade six @ $900.00 equals $796,500.

B. 200 pupils in grades seven and eight @ $1.500.00 equals ... ...300,000.

C. Cost of additional sites ... ...203,500.

Total ... ... $1,300,000.

Cost of building program for Upland School District 1960-1965 using larger growth figure:

A. 1347 pupils in grades kindergarten through grade six @ $900.00 equals $1.212,300

B. 300 pupils in grades seven and eight @ $1,500.00 equals ... ... 450,000.

C. Cost of additional sites ... ...337,700.

Total ... ...$2,000,000.

(Q): What does this mean when applied to specific properties in the several price brackets?

(A): Increase in tax rate of 17 cents per $100.00 of assessed valuation during first year of the life of bonds, provided state financial aid is not available.

A. $16,000.00 - Home (Real value), 4,000.00 - Assessed value, 4,000.0 X .017 equals $6.80 tax increase

B. $20,000.00 - Home (Real value), $5,000.00 - Assessed value, $5,000.00 X.0017 equals $8.50 tax increase

C. $50,000.00 - Ten-acre lemon grove (real value), 12,-500.00 - Assessed value, $12,-500.00 X .0017 equals 21.25 tax increase.

Increase in tax rate of 13 cents per $100.00 of assessed valuation — provided state financial aid is available.

A. $16,000.00 - Home (real value), $4,000 - assessed value, $4,000.00 X .0013 equals $5.20 tax increase

B. $20,00.00 - Home (real value), 5,000.00 - Assessed value, $5,000.00 X .013 equals $6.50 tax increase

C. $50,000.00 - Ten-acre lemon grove (real value), 12,-500.00 - Assessed value $12,-500.00 X .0013 equals $16.25 tax increase

(Q): For what purposes are the funds made available from the sale of local district bonds and receipt of State loans to be spent?

(A): (A) To provide housing for increasing enrollments on both elementary and junior high levels.

(B) To purchase necessary furniture and equipment.

(C) To buy additional school sites and possibly one addition to a present school site.

(D) Improvement of school sites including fencing, sidewalks, curbs, development of parking lots, etc.

(Q): What type of construction will be used?

(A): Frame - with brick veneer.

(Q): Where will the first construction work under this program take place?

(A): The first unit of a second junior high school to serve the Upland School District will be built on the 18th Street site. The junior high school level must receive first priority as double sessions on this level present problems of an almost insurmountable nature.

(Q): What is the projected enrollment of junior high students?

(A): Using two growth factors, the junior high enrollment is projected as follows:

	7%	10%
1960-61 actual	615	615
1961-62 projected	658	677
1962-63 projected	704	745
1963-64 projected	753	820
1964-65 projected	806	902

(Q): How near to capacity is the Junior High with the current enrollment of 615?

(A): The Junior High is currently virtually filled to capacity.

(Q): What is the target date for the completion of the first unit of the Junior High school to be built on west 18th Street site?

(A): September, 1962.

(Q): What purpose does the State loan program play in the solution of our problem?

(A): The total amount of money available is greater if a school district is eligible to conduct its school building program under State financial aid for building.

(Q): Is it an advantage tax wise for a school district to be under a State loan program?

(A): Generally Yes, a ment on a State loan of both principal and interest only if its tax rate levy to service its own outstanding bonded indebtedness is less than 45 cents.

(Q): What has been the Upland School District bond rates for the past several years?

A): 1958-59 - 48 cents per $100.00 assessed valuation
1959-60 - 48 cents per $100.00 assessed valuation
1960-61 - 43 cents per $100.00 assessed valuation

(Q): Is this school bond and State loan election really needed?

(A): Conservative projection of the school district enrollment shows a need for housing an additional 1085 pupils by the summer of 1965. In the thinking of a great many responsible people, this number may prove to be considerably greater.

(Q): If the bond issue is defeated what will this mean in the way of double sessions?

(A): It is entirely probable that on most grade levels double sessions will be necessary.

HARVEST JEWELS Collene Chambers and Sue McCray preview high fashion and casual wear which will be on display in forthcoming Chaffey College Merchandising Club Fashion Show slated for Nov. 17. College students will model apparel from leading stores in the area.

From The Mailbox

We are constantly being bombarded on every side with cigarette advertising, by radio and T.V. Now we are very much disappointed to see "Upland News" insert a Big Camel Cigarette add in Our local paper! Isn't the smog bad enough?

Why seduce our young people to start that filthy habit and then run Educational? films in School to teach them the harm of it! How silly Can we get? What chance does the coming generation have to survive in this smoke-paisined air.??

Yours, —in a plea for relief from these Enticing adds which only lie when they say the "Best tobacco makes the Best Smoke". Its' all Bad and needs to be Eliminated from Our atmosphere! "No "Burning Permitted" needs to be Enforced under Our noses as well as the incinerators.

Don't you agree —Most Emphatically "Yes"

Sincerely
Linda Lee

Lay Group To Work For Bond Passage

A Lay Advisory Committee has been named by the Upland Elementary School District Trustees to campaign for passage of a bond issue vote on Dec. 6.

The Lay committee, composed of 22 members, will serve only until after the election on Dec. 6.

Named on the committee are five presidents of PTA organizations in the area.

The group held its first meeting on Nov. 9 at the Upland Junior High.

Named to the Lay committee are:

Gene Alair, 1345 N. Euclid Ave.; Dwight Bert, 391 N. Euclid Ave.; Dr. Felix J. Bescoby, 2222 N. Euclid Ave.; Mrs. Harold Camilli, 2415 Sierra Dr.; Mrs. Robert R. Campbell, 749 Vallejo Way; Earle T. Casler, 2350 N. Mountain Ave.; Thomas E. Cleland 1231 N. Laurel Ave.; Mrs. Brooks Drayton, 836 Tenth Ave.; Mrs. William Fitzsimmons, 628 Tulare Way; Mrs. Jarvis J. Leman, 866 N. Second Ave.; and Dan Maher, 980 W. 13th St.

Also Allen Palmer, 2416 Park Blvd.; Mrs. John C. Rosebraugh, 1316 Alta Ave.; Mrs. Howard Scarborough, 1536 N. Laurel Ave.; M K. Smith, 1075 W. 20th St.; Willis E. Sumter, Jr. 1326 Monte Verde Ave.; Dr. Kenneth Wilcox, 886 Sharon Way; Mrs. Gordon A. Zwissler, 2562 E. Vista Dr; William R. Rugg, 2430 Mountain Dr.; Richard W. Dorby Jr., 175 Eighth Ave.; and Glenn M. Deal, 630 W. 25th St.

Annuals should go in without delay to get winter color. Check nurseries for those best for this area.

STILL TIME TO TRY U.F. CHEST KEY

There's still time to try your West End United Fund Treasure Chest key, fund officials announced.

Chests will be placed in the following area from now until the end of the 1960 fund - raising campaign: Montclair — First National Bank, 9828 Central Avenue.

Every supporter of the Fund receives a key that he can try in one of the treasure chests.

If your key opens the chest, you receive an invitation to the campaign Victory Dinner, a definite date will be set next week, a certificate entitling you to a group of nominal preliminary awards, and a key to try to open the main-Victory Chest the night of the dinner.

The person whose key opens the Victory Chest will receive a major group of awards representing products of West End industry.

Upland Continues Grid Prosperity

Scoring in the first and third quarters, Senior fullback Ted Stipe led the Highlanders to an 18-0 victory over the Bonita Bearcats at Mt. SAC stadium last week.

The UHS varsity football squad is undefeated in league play and are the only team in the Tri County League which has not been scored upon in league play.

The showdown game between the two unbeaten teams in the league will be played Thursday night when Upland and Claremont clash at Claremont.

A freak opportunity gave Stipe the chance to run 76 yards down the field and cross the goal line for the Highlanders' first touchdown of the game. Lou Schmutz set up the next TD by catching a Bearcat punt and carrying the pigskin to the 15 yard line, where Stipe carried over to score. Upland's third touchdown came when a fourth down punt was blocked by the Highlanders and recovered on the nine yard line. Stipe carried it to the one foot line but a five yard penalty nullified the play. Stipe scored on the next play bringing the score to 18-0.

The most outstanding players of the evening, according to Coach Lovit, were Stipe and Mike Christensen. They were backed up by the excellent play of Jim Lail, David Hansen, Bob Whitlock, Jim Wilcox, Marcy Guzman, Roger Hall, Ed Stadler, Clark Corpe, Bernie Angel, Joe Bare, Lui Horsmeyer, Jake Lotz, David Bangle, Schmutz and Rudi Ybarra. Stipe was given the "Player of the Week" award.

The Highlander B team won their first game of the season, 13-6 against the Bonita B team.

Legion Sets Turkey Shoot November 19

The Upland American Legion Post will kickoff a new series of monthly meetings starting Friday, Veterans Day.

Post Commander John Clarson is seeking volunteer help to make the new series a success and those Legion members who desire to help out need only to contact Clarson for assignment of duties.

The Legion will stage a Thanksgiving turkey shoot Saturday and Sunday, Nov. 19-20 and are incorporating activities for the entire family, games refreshments, etc.

Clarson also reminded Legion members that the Club House is open daily from 2:30 p.m. Wednesday through Friday and encouraged more members to take advantage of the facilities there. It is open from noon on Saturday and Sunday and is closed Monday and Tuesday.

RECENTLY ELECTED to the Upland First Nazarene Church Youth Council to plan Fun Nights are the six high school students pictured above, from left, David Cox, Eunice Dexter, Carol Entner, Gary Whitcanack, Sude Rieder and Steve Thompson. Seated, from left, are The Rev. Tom Barnard and Bert Sheets, Youth president.

Water Polo Team Beats Sierra 22-8

The Upland Water Polo team captured its biggest victory of the year when it defeated Sierra by a score of 22-8, in the UHS pool. This is the fourth straight win of the season for the polo team.

"The varsity team played a top game, but there were many fouls by both teams," stated Coach Stewart, 24 by Upland and 20 by the Sierra team. Stewart said later that this was a real rough and rugged polo match.

Scoring for the Highlanders were forewards Tom Strack, Doug Bartlett, Tom Chalberg, Rod Becker, Art Smart, and Mike Futscher.

The Sierra B team, which is now expected to be the league champions, defeated the Highlanders, 19-2. This was the big game of the year for the C team when it emerged with a 12-4 victory over the Sierra C's. The C team is yet undefeated in league play.

There are three league games left in the season, La Puente vs. Upland, and Pasadena vs. Upland, both at Upland, and Santa Fe vs. Upland, an away game.

MARINE PVT. William E. Alderman, son of John C. Alderman of 1340 N. Euclid Ave., Upland, recently completed recruit training at the Marine Corps Recruit Depot, Parris Island, S. C. The 12-week training schedule included drill, bayonet training, physical conditioning, parades and ceremonies, and other military subjects. This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N.C.

You think of Azaleas as spring blooming shrubs, but a look in any C.A.N. nursery this month will usually turn up a variety or two showing plenty of color right now. Many of these bloom now and again in spring with scattered color right through the winter months. Keep thinking of them as spring bloomers if you will, but don't turn your head from their fall possibilities.

Upland Field Service Chapter Changes Meeting

Upland's chapter of the American Field Service has postponed its regular monthly meeting from Thursday, Nov. 10 to Thursday, Nov. 17 at 7:30 p.m., in the staff lounge at UHS.

Wren W. Woodward president, said today that the change was made due to the holiday and the football game at Claremont.

Woodward again invited interested Uplanders to attend the meeting, whether or not they have youngsters attending Upland High School.

Upland Airman In Video Film

Monte L. Moore, airman apprentice, USN, son of Mr. and Mrs. Albert J. Moore, 327 N. 14 Ave., Upland, appeared in the filming of a television show with actor Ernest Borgnine last month while serving aboard the anti-submarine warfare support aircraft carrier USS Kearsarge operating out of Long Beach.

The film personality narrated the program which is scheduled for release in early 1961 in commemoration of the 50th anniversary of Naval Aviation.

Youth Council Plans Fun Nights At Upland Church

High School youth at the Upland First Nazarene Church are now enjoying weekly fun nights each Friday night in the church's Fellowship Hall.

Planned and directed by the young people themselves, the evening of fun and fellowship includes group shuffle - board, badminton and ping-pong. Each evening is concluded with a short devotional and refreshments which are paid for by the youth themselves.

Fun Night begins at 8 p.m. and concludes at 11. In the immediate future the activities will be modified to include a Junior High funtime, which will be held earlier in the evening.

Lucia Echeverria Services Held

Funeral services were held Tuesday at Our Lady of Mt. Carmel Church for Lucia Echeverria, 88, of 8736 Center St., Cucamonga, who died at her home of a heart attack on Friday.

She had been a resident of the Cucamonga area for the last 35 years and was a native of Mexico.

She is survived by four sons, Ponciano, San Jose; Jose Angel, Cucamonga; Daniel, Cucamonga, and Solome, San Jose. Also surviving are 12 gradchildren.

Burial was in Holy Cross Cemetery Pomona, with the Stone Funeral Home in charge of arrangements.

Stinson Rites Held on Monday

ducted Monday from the Stone Funeral Home in Upland for David L. Stinson, 86, of 185 S. First Ave., Upland.

Mr. Stinson, a resident of this city for the last 15 years, died last Thursday at San Bernardino Hospital following a long illness. He came here from Nebraska.

He is survived by the widow, Alice M., Upland, and three daughters Mrs. A. H. Carlson, Olsburg, Kan.; Mrs. A. D. Stiff, Garden Grove, and Mrs. Hugh Pendergraft, Taft, Calif. Also two sons, H.F. Stinson, Anderson, Calif., and R. E. Stinson, Midway City, and a brother, J. L. Stinson, Pasadena.

There are 17 grandchildren and two great-grandchildren.

The Rev. Joseph Slaten, was in charge of services and entombment was at Bellevue Mausoleum.

Area Girl Scouts Honor Founders

"Honoring the Past and Serving the Future" was the Founders Day theme when over 75 members of the Chaffey Girl Scout Council paid tribute to its local founders, early Girl Scouts, and past council presidents and to Juliette Gordon Low's 100th Birthday anniversary.

Mrs. Low was the founder of the Girl Scouts in the USA.

A special coffee hour and council Founders Day meeting was held last week at St. Mark's Episcopal church in Upland.

A history of the Chaffey Girl Scouts was presented by Mrs. John B. Krone, program chairman. Chaffey Girl Scouting began in 1921 as part of the Chaffey Girls Work Organization which was formed through the local schools with teachers as leaders.

Included within the organization, in addition to Girl Scouts, were also Campfire Girls, YWCA, and Girl Reserve. On display for the meeting was the original placque of the Chaffey Girls Work Organization.

Present was founder, Mrs. W. R. Mason, Upland, who helped form the 1921 Girls Work Organization. Of interest was the chartering of the area Girl Scouts in 1922 and the organization of the first Camp Conifer for Girl Scouts in 1923. This first camp was located at Big Pines.

Mrs. Krone, assisted by Mrs. Robert O. Bell, wrote the history and located and placed on display for the occasion a 1919 Girl Scout bloomer-type camp uniform, a Brownie uniform with the now obsolete pointed headgear, an early intermediate Girl Scout uniform of the 1920's, old Girl Scout handbooks and old scrap books containing news clippings and photographs.

These scrapbooks were found stored where they had been long forgotten in the attic of the Chaffey Council Girl Scout House in Upland. Other facts which brought back memories to the guests were the founding of the present Camp Conifer at Running Springs in 1928 and the building of the Scout House on N. Third Ave., Upland, in 1932.

Building Permits Up During Oct.

Nine building permits were issued during the week for Upland and comparative figures for October of 1959 showed an increase of $21,109 over last year.

The overall picture, however, is not nearly so bright as the comparison of the two months. From January to October of 1959 permits totaled $5,890,541.00 and for the same period of this year the total is $4,690,047.60, or a decline of $1,300,494.

There were $486,074.00 in permits issued for October during 1960 and $464,965.00 for October of 1959.

Recent permits issued are:

Oct. 31 Carl J. Hase, Jr. 1914 N. Laurel Ave., 2350 sq. ft. house, 500 sq. ft. garage, 300 sq. ft. roofed porch, $24,000.

Nov. 1 Krehbeil, 525 E. Seventh St. reroof residence $150

Nov. 2 Burns, 278 Verdugo Way, alterations on home $100

Nov 3 Charles Eslardi, 540 W. Arrow Hwy. Swimming Pool $2,800

Iowa University studies on infants indicate that proteins of cows' milk and human milk are of approximately equal growth-promoting quality.

Gandhi Stamps To Go on Sale January 26

The 4 and 8-cent Mahatma Gandhi "Champion of Liberty" stamps, to be first placed on sale at Washington, D.C., on January 26, will feature a likeness of the revered Indian leader based on a photograph of a drawing by R. L. Lekhi, according to Postmaster Charles F. Linck Jr. This will be the 10th issue in the series begun in 1957 by Postmaster general Arthur E. Summerfield.

The Gandhi stamp, announced on October 1, will be appropriately issued on India's national holiday, Republic Day. As the Postmaster General noted, Gandhi, or Gadhiji —using the Indian term of respect — believed that his people could achieve dignity, prosperity, social justice and self-fulfillment only through freedom.

The 4-cent value will be printed in blue on the Cottrell presses and issued in panes of 70, electric-eye perforated, and the 8-cent denomination will be produced in panes of 72 on the Giori presses in red, blue and golden ocher, L-type perforated.

Orders have been placed for 120 million of the 4-cent denomination and 40 million of the 8-cent stamp. The wording "Champion of Liberty" appears across the top in dark Gothic lettering, and "United States Postage" across the bottom. The denominations are in the lower right.

Surrounding the head of Gandhi is the inscription "Mahatma Gandhi," "1869" and "1948" and "Apostle of Non-Violence." The portrait, torch, spray of leaves and ribbon for the 8-cent denomination were engraved by Charles A. Brooks, and the lettering and numerals by Robert J. Jones. Engravers of the 4-cent value have not been reported.

Collectors desiring first day cancellations may send addressed envelopes to the Postmaster, Washington 13, D. C., with remittance to cover the cost of the stamps to be affixed. Each envelope must be marked, in pencil, in the upper right corner indicating the denomination, or denominations, to be affixed and the number of stamps (singles, pairs, blocks etc.).

An enclosure of medium weight should be placed in each envelope and the flap either turned in or sealed. The outside envelope to the Postmaster should be clearly marked "First Day Covers Gandhi Stamps."

Board Upholds Expelling of Chaffey Pupil

The expelling of Jack Hines from Chaffey High School following his involvment in a riot of 45 students during the lunch period at the school on Nov. 3 has been upheld and approved by the district board of trustees.

The Board acted on the matter Monday night at the regular meeting of the Chaffey Union High School District.

Hines appeared before the Board and explained that he was sorry for the incident and that he wanted to return to school.

Alexander McLeish, assistant superintendent, then read to the board a long list of truancies, infractions of the rules and other incidents in which Hines was directly involved.

The on-campus riot, with Hines as one of the reported key instigators, involved Anglo-Americans and Mexican-Americans. Several students were injured in the fight.

The Dishonor Roll by Jerry Marcus

The Travelers Safety Service

More than 2,900,000 persons were killed or injured in motor vehicle accidents in 1959.
